

PUMA 4

Digital Recorders for Law Enforcement

“PUMA Recorders are the preferred recorder for law enforcement and one of the best tools an officer can carry”

The PUMA 4 Digital Voice Recorder is the newest version of the #1 selling Digital Recorder for Law Enforcement. The new PUMA 4 recorder is our finest yet, providing more storage space and greater sound quality than ever before.

The PUMA 4 delivers many of the same features that have made PUMA recorders the preferred recorder for law enforcement. One button recording, secure and non-editable recording modes, metal construction for higher durability, standard .WMA audio format, and a custom designed KYDEX holster are included with the new recorder. New to the PUMA 4, the "RECORD" and "STOP" buttons are now located on the front of the recorder, making it easier for the officer to engage.

The PUMA 4 builds upon our fine reputation of designing digital recorders for law enforcement. It is lightweight, easy to operate, durable, and provides crystal clear recordings of interview, contacts, or other reports.
